Soil Conservationist R. H. McClenny, Jr. congratulates John H. Goin for 20 years of service with the U. S. Dept. of Agriculture Soil Conservation Service.

Awarded 20-Year Pin

A 20-year certificate to hang on the wall and a 20-year pin to wear were presented this week to John H. Goin who has completed more than 20 years of service with the U. S. Dept. of Agriculture Soil Conservation Service.

Robert H. McClenny, Soil Conservationist for Appomattox cited the good work done in Appomattox by Mr. Goin. He said, "John Goin has made soil conservation service a friend in the community."

A native of the county, Mr. Goin was a full time farmer before joining the staff of SCS under John Harrison, now retired. He served four years during World War II in Europe. He is a member of Walker's Presbyterian Church, Hixburg.

He is currently detailed to Amherst County as an inspector to repair flood damage on the streams.

His wife is the former Frances Elizabeth Johnson and the Goins have four children: Kenneth, Navy Petty Officer in the Philippines; Catherine, a student nurse; Johnny, National Guard member employed at Babcock and Wilcox; and Gary, an 8th grader at Appomattox Intermediate School.

In a cover letter with the certificate and pin the State Conservationist, Tom F. McGourin wrote, "You have been a credit to the Government during these many years . I am sure you will wear this emblem with pride."

Mr. Goin says that his work in Amherst county is scheduled for completion in December.

Cattle Acreage

Rep. Watkins M. Abbitt (D-Va.) has obtained an agreement from the Agriculture Stabilization and Conservation Service Office (ASCS) to allow farmers in Appomattox County to graze pastures under the Diverted Acreage Program because of drought conditions.

Abbitt said he has received requests from many farmers in the county who are concerned about the shortage of grazing areas.

The ASCS has obtained concurrence with the local committee that beginning Monday farmers who are in the Diverted Acreage Program will be permitted to apply for permission to graze or cut hay off their diverted acres, he explained.

Applications should be made at the local ASCS office.

Supervisors To Hold Hearing

The Board of Supervisors of Appomattox will hold a public hearing in the Clerk's office at 9 a.m. Friday, July 10, to propose for passage an ordinance creating the Industrial Development Authority of the County of Appomattox.

The Development Authority, with a 7-man board of directors, is considered to be an integral part of the county's industrial development and will work with the Appomattox County Development Corporation.

Abbitt Resigns As State Chairman

What's New With Caterpillars?

What's new in the world of caterpillars? These pre-schoolers found out on Friday that a green caterpillar can turn into an orange butterfly -- plus other interesting facts about their world and ours, all a part of the pre-school summer session at Appomattox Primary School with instructor Mrs. Virginia Cyrus (standing at far left) and her aide, Mrs. Margaret Ferguson. Many learning situations are provided, explains Mrs. Julian Hesson, the principal, in picture books, puzzles, plastic and foam numbers and letters. The huge clown on the bulletin board holds balloons on which each pupil's name is written, a take-home memento waiting for the last day of the school. Included in this class are Sharon Archer, Christine Bigkow, Brenda Carter, Angela Ferguson, Cheryl Guill, Debra McCoy, Tammy Lynn Martin, Rene Preston, Patricia Thayer and Yvonne Lawson. Also, Arthur Asher, Christopher Dunnam, Norman Fleshman, Dale Glover, David Hancock, Michael Rosser, and Timmy Webb.

PARTY HEAD FOR SIX YEARS

WASHINGTON — Rep. Watkins M. Abbitt, D-Va., announced today plans to resign July 18 as chairman of the Virginia Democratic party in order "to discharge my multiple responsibilities in the most effective and proper manner."

In a statement from his office here, the veteran congressman said, "It is with deep regret that I have concluded that I must relinquish my position as chairman of the Democratic State Central Committee. . . .

"Having accepted the Democratic nomination for Congress from the 4th District, it is incumbent upon me to make the strongest possible campaign in order to live up to my obligation as such."

The Appomattox congressman, state party chairman since he took over in 1964 from the late State Sen. Thomas H. Stanton of Bowling Green, said he must "devote my time and energies unreservedly to the task of serving my district to the very best of my ability."

He won a fight for re-election as party chairman in Salem in 1966 over Joseph Fitzpatrick of Norfolk, 2nd District chairman who is a candidate for Congress this year.

Abbitt was strongly backed for re-election by former Gov. Mills E. Godwin Jr. However, Godwin's candidate for national committeeman Waldo Emerson of Bristol, lost to State Sen. William A. Hopkins of Swansonville.

"During the 22 years in which I have had the privilege of serving as representative of our District", Abbitt said, "the workload has increased tremendously. The Fourth District itself has been enlarged considerably during this time with the result that the demands upon my office are several times greater than they were when I first came to Congress. This increase has become even more obvious in the last two or three years and it is likely to expand even more as time goes on."

The veteran congressman is seeking his 12th congressional term.

In his statement, Abbitt said the activities of the Democratic State Central Committee should "be given the attention which they deserve.

"Although I would like very much to carry through on some of the projects and programs for which foundations have been laid during my tenure," he said, "I cannot, in good conscience, let the wishes of the committee suffer as a result of my preoccupation with my other responsibilities."

His first responsibility, Abbitt said, "is to the people of the 4th Congressional District."

The congressman noted that his "heavy duties in Washington, coupled with my responsibilities in connection with my campaign," make it imperative that he reduce "the tremendous demands upon my time."

It is only "just and proper," Abbitt said, "that this reduction be brought about by giving up my responsibilities as chairman of the State Central Committee."

July 18, 20, 21, 22 Appomattox Will Host Tournament

The 1970 Dixie Youth District Tournament is scheduled to begin on Saturday, July 18, 1970, at 7 p.m. at the Woodmen of the World field, with pre-game ceremonies beginning at 6:15 p.m. The tournament play will resume on July 20, 21 and 22, weather permitting, and in any event weather causes cancellation of any game, then the game will be played the following night or nights to complete the tournament.

The selection of the All Stars to represent Appomattox Dixie Youth will be selected from the major league teams, whose names will be published on July 15.

Robert W. Carter, president of the youth association said Tuesday, "This is the first year that Appomattox has been able to host the Dixie Youth District Tournament and our many thanks go to the fine support and dedication of the Woodmen of the World, sponsors, and all other persons who have contributed their time and energy in making Dixie Youth baseball available for Appomattox County. We continue to urge your support, especially for the forthcoming tournament, and request volunteers to call Roy Massie or myself, as your services are needed."

The Honorable Watkins M. Abbitt, 4th District Congressman, will be the principal speaker at pre-game ceremonies.

FFA Collects $160 For Cancer Drive

Thunder, lightning and raindrops failed to stop these Future Farmers of America of the Appomattox Chapter as they made the rounds of homes in Appomattox Thursday night to collect $160.00 to help the county's Cancer Crusade reach a goal of $1200. That $160 is about one-half of the amount still needed.Now co-chairmen Mrs. Margie Mims and Mrs. Becky Hudson suggest that EVERYONE give just "ONE DOLLAR MORE" . . . so that Appomattox can continue to receive its percentage of Cancer Crusade dollars for equipment and services for cancer victims. That "ONE DOLLAR MORE" should go to Mrs. Mary Alma Hudson at Fidelity National Bank; Main Street, Appomattox. Voters Will Be Asked For SS Numbers

The State Board of Elections, Richmond , has notified the Appomattox County Electoral Board that it is necessary to obtain the social security number of every registered voter in Virginia to be used as an identification number when the Central Registration Roster is set up by this Board as required by the 1970 General Assembly.

For registered Democrats the next election is Tuesday's Primary, July 14, when voters will be choosing a Democratic nominee to run in November for the office of U. S. Senator from Virginia.

The judge of each voting precinct in Appomattox will be asking each voter for his social security number at the coming election. In cases where a voter does not have his social security number with him, he will be given a form on which to write it later and mail to the registrar of his precinct.

IT IS NOT NECESSARY to have one's social security number available in order to vote, says the county Electoral Board chairman, Murrell Ferguson.

In notifying the Electoral Board of this action to secure Social Security numbers, the executive secretary, L. Stanley Hardaway writes that securing the Social Security numbers is purely a voluntary move. If a voter objects to furnishing his number it has no bearing on his eligibility to vote.

Voters will be choosing from a field of three candidates for the Democratic nomination for the U. S. Senate: Dr. Milton Colvin, former Del. George C. Rawlings, Jr. and Del Clive Duval.

LIONS MEETING

Lions of Appomattox will meet tonight(Thurs.) at 6:45 at Maude's. Program:"Community Planning", announced by 1st vice president, E.J.Smith.
